

Do you come here often?

Mac, can you help me with an appeal?

The Domain of the Golden Dragon is peopled by those who have crossed the Date Line at the 180th Meridian. Scallywags are misfits who must be properly prepared to take on the responsibilities of a Golden Dragon. Certain cosmetic alterations are made and charges peculiar to their survy personalities are read. Scallywags are always guilty. The sentence ... kiss the Queen's hand and the Royal Infam's belly.

I have a note here from your congressman.
