

KEELUNG

LAT. 28° 8' N LONG. 121° 44' E

Keelung, located on the North-Western coast of the Island of Taiwan, is strictly an R & R port for the KUKUI. It is an excellent place to shop for furniture, marble, and other local items. After five days of Rest and Recuperation the KUKUI pulled out of Keelung Harbor (much to the dismay of the local businessmen) and headed for Okinawa and work.
