Cleanliness is next to Godliness

Okay fellows thanks for the escort

The travel time to Okinawa is short and at 1800 on Sunday 12 July the KUKUI was moored at White Beach Okinawa. KUKUI was to pick up 75 55-gallon drums of motor gasoline to be delivered to Loran Station Iwo Jima. Okinawa is also a re-fueling stop and the KUKUI loaded 50,000 gallons of diesel fuel and departed.
