STOREKEEPER

Well DEEP FREEZE is here and will be over before you know it. We hope that our help with you les's, allotments, household goods, travel claims, logistical support and our good looks helped out. It could not of been done without a better Storekeeper office. Mr. Phelps will have finished his 3 year tour in March and will be transferred to BASE MIAMI. We all enjoyed working for him, he made our jobs interesting and fun. SKC Townsend will soon be a CW02-F&S, his new station will be Washington D.C., good luck. SK1 Jones is one of two that will be here for a while, the other is SK2 Webb. I'm sure those two will be trucken cross-country with the peddle to the medal. SK2 Purdy is TAD from the CCGC13 puzzle pallace, thanks for all the help. SK3 Dooley will be Mr. Dooley soon, organizing his team to conquer the pole, good luck Dool. SK2 Spence will be finishing up his 3 years onboard, he will be doing hard years at LORSTA ESTARTIT Spain. It was an interesting cruise, we were all glad to be a part of it. Good luck to our shipmates.

L-R: SK1 Warren Jones, SKC Pete Townsend, CW02 Dave Phelps, SK3 Mike Dooley, SK2 Dan Purdy, SK2 Don Spence, SK2 Gerry Webb.
